MY PASSIONS AND INTERESTS

BY CAITLYN OOI

MY FIRST EVER PASSION IS

- DANCING!! I have been doing dancing since I was 3 and have been doing competitions for as long as I can remember.
- I have so many costumes that my costume hanger is getting too full! I do jazz, tap, ballet, lyrical, contemporary and basically everything but Hip Hop.
- Dancing has always been a passion and I think it might be my dream when I am older!

MY INTERESTS ARE...

- Marvel!! I started watching Marvel

 a few years ago and it's such a
 wonderful bunch of movies and the
 details are so clean and
 professional.
- I don't have any favourite characters as I love them all so much (Except for Thanos and his crew)!

MY FRIENDS

- my best friends from school are Remi, Evie, Eva, Margrita (Margot), Charlotte H (Lottie), Gabby, Poppy, Frankie!
- My outside of school friends are Maeve (bestie), Mia, Hayley, Amelia, Ava, Mya and more!
- They are amazing friends and always have my back!

MY BESTIE

- My best friend ever is Maeve, we have done everything together and work together in dancing and do duos together!
- She has had sleepovers with me, cooked with me and always been there for me.
 We rarely ever fight, and we always laugh about the weirdest things ever! She is so kind and will be with me for ever.

THANK YOU FOR LOOKING AT MY PASSIONS AND INTERESTS! I HOPE YOU ENJOYED READING IT!
